

## **Term Six News from Year 6**

Welcome back. It is hard to believe that the children are now entering their last term at The Downs CEP!

We are aware that for **all** children this can be a worrying, as well as an exciting time. We will be preparing them for secondary school transition through a range of activities that will support this process. Many of the secondary schools will also visit the children here, as well as having their open days/afternoons.

For term 6, the whole school theme is 'We are the champions'. We are approaching this topic through a range of learning opportunities and applying the skills that been acquired over the past 5 terms.

**Literacy** - This term the children will be reading the novel 'Feather Boy'. They will also be producing some examples of their 'best' writing to show their year 7 teachers.

**Maths** - This term the children will be focusing on applying their maths skills to real life problems and investigations; preparing the children for secondary school.

**Topic** - In Science, we will be continuing to learn about 'Animals (including humans)'. This will coincide with our visits to Forest School (dates have already been provided).

**R.E** - Our RE lessons will focus on The Kingdom of God; we will be exploring what kind of king is Jesus?

**PE** - This term PE is not on a set day of each week, therefore, pupils will need both indoor and outdoor kits in school at all times. We will be focusing on four different athletic activities; how pupils can train to improve their personal best scores/achievements.

Swimming will continue to be on a Friday. (Please refer to original letter for dates.)

Mrs Culver and Mr Thrower.
