

<b>Year Group</b>	Each year group can choose to place the units of study in any term within the relevant Key Stage There will be elements of some Programmes of Study that will need to be studied not just in one term, but in several terms throughout the year. For example, learning about seasonal changes will need to take place in different terms.					
<b>Year 1</b>	Seasonal change	Everyday materials			Plants	Animals including humans
<b>Year 2</b>	All living things and their habitats		Uses of everyday materials		Animals including humans	Plants
<b>Year 3</b>	Forces and magnets		Light	Rocks	Animals including humans	Plants
<b>Year 4</b>	Sound		States of matter	Electricity	Animals including humans	All living things
<b>Year 5</b>	Animals including humans	Earth and Space	Forces	(Forces – it might need two terms to cover the learning expectations)	Properties and changes of materials	All living things
<b>Year 6</b>	All living things	Evolution and inheritance	Electricity	Light	Animals including humans	

**Long term plan for coverage of the Primary Science Programme of Study**

*(The Federation of The Downs and Northbourne CEP Schools use the Andrew Berry Scheme to support our science curriculum)*
