

Reception

Home learning options for term 1

Following the partial school/nursery closures in the last academic year we will be using this term to ensure that all of our children are settled and ready to progress both emotionally and academically.

To do this effectively we will not be launching our theme of 'it's a wonderful world' until Term 2.

Instead we will be using the reading, writing, maths and personal, social, health and emotional development curriculums to support and develop our children.

Because of this, term 1 home learning will encourage our children to extend their enquiring minds and use creative skills at home in preparation for the launch of the theme in term 2.

Over the term children should complete at least four of these challenges. You can do them in any order and send any photographic evidence into school via the school email.

In addition to this, we expect you to read at home every day and complete your spellings or phonic activities each week. These will be available to you on the school website in your year group area.

<p>Geography Can you collect a selection of leaves. What can you see that is the same? What is different about the leaves?</p> 	<p>History Can you take some time to look at family photos with your family? Discuss when they were taken and what has changed/remained the same.</p> 	<p>RE Can you make an animal from the creation story?</p> 
<p>Science Can you set up a snail race?</p> 	<p>Art Can you create a picture of our caterpillars or butterflies?</p> 	<p>School value Can you be independent by dressing yourself?</p> 
<p>Design technology Can you create a junk model minibeast?</p> 	<p>Things to do by the time I am 11 $\frac{3}{4}$ Can you fly a kite?</p> 	<p>Pupil choice What do you enjoy doing at home? Can you share your talents with us?</p>
