

Year group 1

Home learning options for term 1

Following the partial school closure in the last academic year we will be using this term to ensure that all of our children are settled and ready to progress both emotionally and academically.

To do this effectively we will not be launching our theme of 'It's a wonderful world' until Term 2.

Instead we will be using the reading, writing, maths and personal, social, health and emotional development curriculums to support and develop our children.

Because of this, term 1 home learning will encourage our children to extend their enquiring minds and use creative skills at home in preparation for the launch of the theme in term 2.

Over the term children should complete at least four of these challenges. You can do them in any order and send any photographic evidence into school via the school email.

In addition to this, we expect you to read at home every day and complete your spellings or phonic activities each week. These will be available to you on the school website in your year group area.

<p>Geography</p> <p>Watch the weather for a week and create your own weather chart.</p>	<p>History</p> <p>With a grown up talk to them about some of the interesting places they may have visited. Look at any photographs or artefacts they may have collected from their travels.</p>	<p>RE</p> <p>What gifts would you give to a new born baby and why?</p>
<p>Science</p> <p>Make a poster about your favourite animal – include information about which continent it lives on, what habitat it lives in and what it eats. Include lots of pictures of your animal as well.</p>	<p>Art</p> <p>Can you create a picture about something that makes you feel happy? You may like to paint, draw, print, colour or collage.</p>	<p>School value</p> <p>Independence Pack your reading book into your school bag each night and then put it into your tray when you arrive at school.</p>
<p>Design technology</p> <p>Meteorologists study the weather and weather patterns. Can you design something to measure the amount of rain that falls in your outdoor space?</p>	<p>Things to do by the time I am 11 ¾</p> <p>Collect some conkers and then have fun playing a game of conkers with another member of your family.</p>	<p>Pupil choice</p>
