

Year group 3

Home learning options for term 1

Following the partial school closure in the last academic year we will be using this term to ensure that all of our children are settled and ready to progress both emotionally and academically.

To do this effectively we will not be launching our theme of 'it's a wonderful world' until Term 2.

Instead we will be using the reading, writing, maths and personal, social, health and emotional development curriculums to support and develop our children.

Because of this, term 1 home learning will encourage our children to extend their enquiring minds and use creative skills at home in preparation for the launch of the theme in term 2.

Over the term children should complete at least four of these challenges. You can do them in any order and send any photographic evidence into school via the school email.

In addition to this, we expect you to read at home every day and complete your spellings or phonic activities each week. These will be available to you on the school website in your year group area.

|--|--|---|
| <p><b>Geography</b></p> <p>How long was the Titanic's journey supposed to be? Find out the distance from Southampton to New York.</p>  | <p><b>History</b></p> <p>Create a fact file about the Titanic. You could put this information onto a poster.</p> <p>Who designed the ship?<br/>When was the Titanic built?<br/>How long did it take to build?<br/>When did the Titanic sink?</p> | <p><b>RE</b></p> <p>Find out about the 5 pillars of Islam. What are they? We will be discussing these in our RE lessons this term.</p>                                      |
| <p><b>Science</b></p> <p>Choose a toy with wheels and push it over different surfaces in your house. How do they move? Is it faster or slower on different surfaces? Take pictures and discuss with your family.</p> | <p><b>Art</b></p> <p>Create some fabulous Titanic artwork. You can choose paint, pencil, pen or whichever medium you would like to use.</p>  | <p><b>School value</b></p> <p>Think about your summer holidays. Was there a time you showed <b>kindness or compassion</b>? Share this moment with a family member.</p>      |
| <p><b>Design technology</b></p> <p>This term we are learning about the titanic. Can you create a boat that can float for over 30 seconds?</p>  | <p><b>Things to do by the time I am 11 <math>\frac{3}{4}</math></b></p> <p>Have fun with sticks. What can you create? What could a stick be used for? Think about all the different uses and role play ideas.</p>                                | <p><b>Pupil choice</b></p> <p>Are there any new skills that you learnt or any adventures that you went on where you learnt something that you can share with the class?</p> |
