Home Learning Options for Term 2

To continue our Wonderful Word topic we are moving on to learning about Wonderful Humans. We will be learning about some important jobs that humans do.

Over the term children should complete at least four of these challenges. You can do them in any order and send any photographic evidence into school via the school email. Your child will then share these with the class.

In addition to this, we expect you to read at home every day and complete your spellings or phonic activities each week. These will be available to you on the school website in your year group area.

<p>Number</p> <p>What numbers can you find in the real world?</p> 	<p>Literacy</p> <p>Draw a picture of your family. Can you talk about your family?
