

The Federation of The Downs & Northbourne Church of England Primary Schools

Year 1

Home learning options for term 2

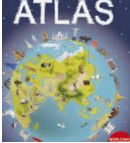

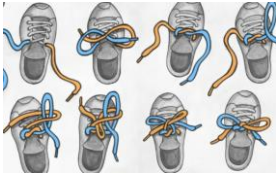

During this term we will be exploring the theme

'What a wonderful world'

Over the term you should complete at least six of these challenges. You can do them in any order and send in your photos to the school office (secretary@thedowns.me)

In addition to this, we expect you to read at home every day and complete your spellings / phonic activities each week. You should also continue to count forwards and backwards from any starting number up to 50.

Remember that additional maths and literacy activities can be found via the links on our school **website**
