Home Learning Options for Term 2

During this term we will be exploring the theme

'What a wonderful world'

Over the term you should complete at least six of these challenges. You can do them in any order and send in your photos to the school office (secretary@thedowns.me)

In addition to this, we expect you to read at home every day and complete your spellings or phonic activities each week. These will be available to you on the school website in your year group area.
