Home learning options for term 2

Here are the tasks we have set for term 2. We look forward to seeing the results!

Over the term children should complete at least four of these challenges. You can do them in any order and send any photographic evidence into school via the school email.

In addition to this, we expect you to read at home every day and complete your spellings or phonic activities each week. These will be available to you on the school website in your year group area.
