Child Initiated Learning - Planning time

Select a toy that you would like to play with and create your own goal (what you would like to achieve) whilst playing. Think about what you may need to be able to achieve your goal (pens, paper, lego, trains etc.)
When you have finished playing you can discuss with your grown up whether you have achieved your goal or what may not have gone to plan and how you could be successful next time.

Parent guide

Word of the day - Explore this word over the course of the day. Discuss the meaning and the word in a sentence. Discuss words that rhyme with the word of the day. Try to use the word as much as possible throughout the day.

Recognising sounds - This is simply the children being able to recognise and say each sound. You could practise this by playing games, for example; hiding sounds written on paper or making some flash cards.

Building words - This is where the children are able to hear the sounds in each word - for example if they are building the word 'bat' they would be able to identify the first sounds as 'b', the middle sound as 'a' and the last sound as 't'. It may help if you provide them with the individual sounds that they need on small pieces of paper so they are able to move and put them into the correct order.

Reception Home Learning 23rd - 27th November

You may also find the following websites useful:

<https://www.phonicsplay.co.uk> A selection of phonics games that your children will be familiar with. We are currently working on Phase 2 sounds. To gain full access to the site Username: march20 Password: home

<https://www.oxfordowl.co.uk> A website that will enable you to access online reading books (similar to the ones the children bring home from school). To access these type into 'my class name' **thedowns** and 'class password' **Reception**. Click on my bookshelf. On the level tab select book band and click on book band 1: pink. This will select appropriate books for your child.

<https://www.purplemash.com/sch/downs> A website that contains many different activities for your children to explore. Mini Mash is the area specifically designed for children in Year R. They each have their own username and login which has been sent home.
