

The Downs Church of England Primary School

“if you have faith as small as a mustard seed...nothing will be impossible.”
(Matthew: 17 v20)

Dear Year 5 children and parents,

We hope that you had an enjoyable Christmas break and are all keeping well. It is very strange that we won't be seeing you all back at school at the moment but you will see that there is plenty of work for you to be getting on with via our school website and on Purple Mash.

Our current Maths topic is multiplication and division and there are various links for lessons relating to these objectives.

In English, the children will be recapping on spelling and grammar skills. Please see the 'remote learning timetable' for Week 1, on the school website for links to clips and relevant activities.

Our topic in Term 3 was going to be based around the Vikings, so you could complete a project on this in any format you want.

You could make a PowerPoint presentation, artwork, DT, an information book, posters etc. using the tasks/formats on Purple Mash.

You may need to access the Internet, in order to carry out some research about the Vikings to help you with this.

Perhaps you could take photos of whatever you create for us to see what you have been up to. These can be uploaded to Purple Mash.

Hopefully it won't be too long until we see you all again. In the meantime, check back on here for blogs over the next few weeks and any new work that will be set, but most of all stay safe!

The Year 5 Team.
