

## Year 2 Remote Learning

Hello 2G and 2GA!

Welcome to our first blog of the year. We hope you and your families are all well.

Each week we will be adding a new blog with a message and some ideas for learning activities you can do at home. There will also be a chance for you to add a comment at the bottom of the blog to keep in touch and let us know what you have been up to.

In this week's blog we would like to tell you all about the home learning that you will have over the next few weeks. We have been very busy preparing online learning activities for you all, in addition to paper packs that will be available soon.

On our school website your adults can find a remote learning timetable that will give you links to some useful websites. These remote learning timetables will be updated each week so make sure you keep an eye out for new activities. Your adults will also be able to find this term's spellings list and home learning.

You will also have a selection of 2Do's on Purple Mash to complete. Please make sure that you hand these in when completed so that we can write a comment back to you. You may even get a virtual reward.

Don't forget to keep up the daily reading at home. Miss Graham is reading 'The World's Worst Teachers' by David Walliams and Miss Gasking is re-reading 'Alice in Wonderland' by Lewis Carroll as it's one of her favourites!

Maybe you can learn a new skills while you are at home. Have you tried any cooking? You might be surprised that weighing the ingredients out is good for your maths!

I'm sure that you will all be super home learners!

Stay safe!

Miss Graham and Miss Gasking
