3rd October 2018

Dear Parent/Carers,

As a school, we have been invited to participate in a new project being started by Dover and Deal Council. It is called The Smoke Free School Gates Project. The aim of this project is to encourage visitors, parents and carers not to smoke (or vape) in places where children can see them, therefore promoting healthier life styles to the children.

We are inviting the children to take part in a competition that has been set up by this project to design a sign for the school gates to promote the project. These designs will be judged by our school eco club and the winning design will be sent off to Kent County Council. The winning design will then be made into a sign and donated to the school by Dover and Deal Council. Further to this, the winner will be invited to an award event, held by Dover and Deal Council.

Pupils who wish to take part are required to design a sign on the enclosed template to promote this project. They will need to come up with their own slogans and picture designs. All final designs need to be handed in by Thursday 18th October, with their name and class on the back, so that they can be judged and the winning design can be sent to Dover and Deal Council in time to be made into a sign.

Yours sincerely

Miss A Gasking and Miss L Bassett
Class Teachers
Healthy School Leads
