Jesus said: "You are the light of the world—like a city on a hilltop that cannot be hidden. No one lights a lamp and then puts it under a basket. Instead, a lamp is placed on a stand, where it gives light to everyone in the house. In the same way, let your good deeds shine out for all to see."

Tyland Barn Trip – Thursday 24th September 2026

Kent Wildlife Trust

Dear Parents/Carers,

As part of our science topic we are researching animals and their habitats. On Thursday 24th September we plan to take year 2 to visit Tyland Barn in Maidstone to take part in a minibeast workshop and pond dipping experience. The purpose of this trip is for the children to develop their knowledge and understanding of how animals are adapted to their environments to aid their survival.
We would travel there using three of our school minibuses to reduce the travelling costs considerably.

However, due to their size, we can only proceed with the trip if there are three parent helpers who are willing to drive themselves and their child to Tyland Barn. If you would be happy to do this, could you please let us know by Friday 11th September.

If we can proceed with the trip, to get the most out of our day, we would like the children to arrive at the slightly earlier time of 8.20am. We would return to school at 3.45pm and dismiss the children from the office area. Your child would need a packed lunch (in a rucksack to keep their hands free), to wear full school uniform and comfortable shoes or wellies. We would politely ask that lunches did not include any fizzy drinks or nuts.

The cost of the trip would be £11.50 per child. This would cover the cost of the workshop and the minibus hire.
